Vocal Mic 3  
**Monitor 4 (2)**

**Kevin (1xAC)**  
Mic: Congas  
Mic: Cajon  
Vocal Mic 5  
**Monitor 6 (2)**

In a perfect world with 6 monitor sends and 6 monitors, things look like the above.

In showcase situations where there are as few as 2 mixes, front line vocalists can share mix 2 while support (backline) musicians can share mix 1

\* Some performances feature a guest soloist (1 vocal mic and 1 instrument) while some may feature an entire choir. You will be consulted well in advance of the show so that we may make the best of what each venue has to offer.
